

BEFORE PRICES ADVANCE

Only \$1 Puts the Hoosier In Your Home While This Allotment Lasts

"Prices must advance," is the official announcement made by the Hoosier company in the Saturday Evening Post.

This is due to the increased cost of all raw materials used in the Hoosier. Our allotment at the old price is limited—only a few of each pattern are left. These may all be taken any day.

The factory has notified us that 20,000 cabinets were snapped up in three weeks when it first became known that Hoosier prices must be increased September 1st. You can judge for yourself how long our small allotment will last.

Your only chance of being sure to get one of these cabinets at the present low prices is to come at once before this allotment is gone.

1. \$1 puts the cabinet you choose in your home.
2. \$1 weekly quickly pays for it.
3. The low cash price fixed by the factory prevails strictly.
4. No interest—no extra fees.
5. This sale is under the direct supervision of the Hoosier Company.
6. Your money back if you are not delighted.

WHY WISH AND WAIT?

You need a Hoosier Cabinet now more than at any other time of the year. Your kitchen is hot and disagreeable. You have extra work to do—canning fruit, making preserves, and many other things that keep you in the kitchen extra hours each day.

Is there any reason why you should spend this extra time in the kitchen toiling and working in hot weather when it is so easy to get your cabinet at once.

SALE MAY CLOSE ANY DAY

Our entire allotment may be sold out by tomorrow night. Decide right now which is the best for you—

To take chances and miss this opportunity, or

Come to our store at once and find out about this cabinet before it is too late?

EVERY WOMAN HAS A RIGHT TO A HOOSIER

Sooner or later, you will probably get the cabinet anyway; so why waste your energy, health and time by waiting until prices increase?

It need not take you ten minutes to decide once for all whether you intend to buy now or later after prices go up; and you are deciding, remember, whether you will save many dollars and miles of unnecessary steps you now take in a hot kitchen.

Let other things go and decide this question tomorrow while you have time.

This is "HOOSIER BEAUTY" The National Step Saver

WHAT THE HOOSIER CABINET WILL DO FOR YOU

- Places for 400 articles all within arm's reach.
- 40 labor saving features, each like a helping hand.
- The Hoosier will cut your kitchen work in half.
- Will save you miles of steps.
- Will save you hours of weary toil.
- Will make it a pleasure to cook and bake.
- Will save your energy and beauty, and keep you feeling young and strong.
- Will help you get good meals quickly.
- Will help you tidy up in just a few moments when the meal's over.

These are only a few of Hoosier's conveniences. To really appreciate the great amount of time the Hoosier will save you, you must see and examine these features yourself in our store.

Tomorrow for only \$1 you can start using these labor saving features in your own kitchen, but if you wait and let tomorrow drift by and think that you still have time to accept this offer, you may be too late.

BABY BEAVERS HAVE CINCHED PENNANT

Defeat of Kirkpatricks Yesterday Settled It—Lojus Defeated Camas

The championship of the Intercity baseball league no longer hangs in the balance. When the Baby Beavers won from the Kirkpatricks at Portland yesterday they cinched the title, and the Salem team has only the satisfaction of having fought a good fight.

The game yesterday between the Lojus and the Camas club was one of the most enjoyable of the season from the spectator's point of view. The visitors scored only in the first two frames. From that time on Cole had the situation well in hand. A long drive by Keene in the 4th resulted in a sufficient number of runs to tie the score, and a three-base hit by Edwards in the 8th added one more tally than was necessary to a local victory.

Camas was well represented among the spectators, and the rooting was of a more than ordinary sort.

With the game on the home grounds between the champion Beavers and the Lojus next Sunday the season will close. Negotiations are already in progress for a series of games between the Lojus and McMinnville.

BASEBALL BATTLE STILL OPEN TO MANY

New York and Chicago Coming to the Front While Cleveland Slumps

By H. C. Hamilton.
(United Press staff correspondent.)

New York, Aug. 21.—With Cleveland playing Boston and with Chicago meeting New York in the American league, interest in the Ban Johnson circuit centers today in Boston and New York.

Both New York and Chicago have displayed sudden reversals of form and while Cleveland has slumped to third place in the league standings the club is only a few points behind Chicago and is playing great baseball. Chicago's pitchers, a great staff when going right, apparently have begun to pitch winning baseball, while Bill Donovan's ranks, crippled though they are, have put up the feature performance of the league of late. The loss to the White Sox Saturday was their first reversal in six games.

The Yankees' sudden recovery and the rehabilitation of the White Sox again has put these two clubs in the thick of the pennant fight.

The Brooklyn club started on its last trip around the circuit last week with a three game lead over Boston and was virtually the same distance ahead of Philadelphia. To date the club has not only one game, one contest of a double header at Pittsburgh. Yesterday Jack Coombs pitched the Dodgers to victory over Chicago, allowing only one hit. The work of this veteran, coupled with the return to form of Rube Marquard, makes the club doubly dangerous. Today, the Dodgers are four and a half games ahead of the Champion Phillies.

After an auspicious performance against the Dodgers, the Braves went to St. Louis and took an awful drubbing, sliding to third place. The National league shifted its battlefield yesterday, Buffalo going to Chicago; New York to St. Louis; Boston to Cincinnati; Philadelphia to Pittsburgh. Thus, the clubs counted strong, are meeting those accepted as the weakest. Four first division clubs are pitted against four second division aggregations.

Expect Great Crowd.
Colorado Springs, Colo., Aug. 21.—Predictions of a record breaking house for the 20-round lightweight championship battle here Labor day between Freddie Welsh, the present title holder, and Charley White, of Chicago, were made today following the announcement by club officials that the advance sale has reached the \$20,000 mark.

That the bout was already an assured financial success was the claim made by the "Hundred Million Dollar Club," staging the battle. Great interest is being manifested by fight fans in all parts of the country and hundreds of mail requests for reservations of tickets to the bout are being received daily.

A steady downpour of rain all yesterday and last night turned the roads into quagmires and interfered with the conditioning program of Welsh and White.

Voters Must Register Before October 7

Secretary of State Olcott issued the following this morning:

Under the present registration laws the registration books of the county clerks are closed for a period of 30 days prior to any general election. Under prior laws they were closed for only 15 days. Unregistered voters desiring to register for the November election must, therefore, register by October 7, 1916. Registration prior to the May primaries totaled 241,474. Since the primary election 6,594 registrations have been reported to this office, making total registrations to date 248,068. Registrations prior to the general election in 1914 numbered 304,730. This would leave 58,000 registrations to be made before the close of the books October 7, aside from the natural increase in the state's population. Under the law the secretary if state forwards election pamphlets only to the registered voters. Any who have not registered therefore, desiring to secure copies of the election pamphlets should register immediately with their respective county clerks so as to insure the receipt of the pamphlets when they are printed.

to some extent. Welsh contented himself with indoor work at his training quarters while White, despite the steady rain jogged over seven miles of slushy roads.

White's famous left hook has instilled a wholesome fear in the local pugilistic colony and his ad for sparring partners, offering \$5 for each three two minute round bouts has met with no response so far. White tipped the beam at 135 pounds today, the weight he must make for the contest. Welsh scaled 129 1/2 three days ago so both men will safely land inside the required weight limit when the gong rings Labor day.

Players Were Insulting

New York, Aug. 21.—National league headquarters today received from St. Louis a complaint regarding the conduct of four members of the Boston club who are said to have used insulting language toward a St. Louis club official who refused to allow them to enter the St. Louis park at a gate not used by players.

George Tyler, pitcher, is the only one specifically named in the complaint. Secretary Heydler was unable to indicate what punishment, if any, will be given the players. President Tener is out of the city but is expected to return tomorrow.

Ping Bodie Sold

San Francisco, Aug. 21.—Ping Bodie, former White Sox outfielder, now of the San Francisco Pacific Coast league club, has been sold to Connie Mack's Athletics, Manager Wolverton of the Seals, announced today. He will join the Athletics next season. The deal was for cash only, Wolverton said.

Kilbane's Great Trainers

Cleveland, Ohio, Aug. 21.—Featherweight Champion Johnny Kilbane isn't going to take any chances of being overwhelmed by rush tactics in his battle with George Chanev, of Baltimore, at Cedar Point, Labor day. Kilbane's training partners are no other than Luke Ginty and Cal Delaney, two slam bang battlers who like to rough things.

One World's Record Beaten at San Diego

San Diego, Cal., Aug. 20.—One world's record was broken, another was equaled but not allowed and several far Western records were battered in the A. A. U. track and field meet held at the Stadium here yesterday afternoon.

San Francisco athletes, grouped in

the Pacific Association, won the majority of the events with the total of 101 points, with their rivals from the southern part of the state and Arizona grouped as the Southern Pacific Association, fairly close up with 72 points. The Northwestern Association, including Oregon, Washington, Alaska, Idaho and Montana, was third with 29 points, and the Intermountain Association, comprising part of Montana, Idaho and Utah, fourth, with five points.

Kelley's Record Not Allowed.
John Norton, of the Olympic club

San Francisco, was credited with breaking the world's record of 25.2 seconds in the 220-yard low hurdles on a curved track, formerly held by Fred Kelley, of the Los Angeles A. C. His time was 24.15 seconds.

In the 120-yard high hurdles Kelley equaled the world's record of 14.45 seconds and broke the far Western record of 15 seconds. Kelley's splendid run was not allowed because he knocked over a hurdle. The best time ever made in this event, 14.3-5, is credited to Simpson, a Missouri athlete, but according to A. A. U. authorities is not official.

Portland Men Win Points

Walt Hummel, of the Multnomah Athletic Club, was twice a point winner. He won the 440-yard hurdle race and in the javelin throw came third. Chet Fee, of Multnomah, was second in the javelin throw and Sam Bellah fourth. Bellah also took third place in the pole vault. Other Portland place winners were Harry Cole, fourth in the 36-pound weight event and second in the discus throw and John Murphy, fourth in the high jump.

Oregon Soldiers Take Part

A feature of the day was a 100-yard dash exclusively for soldiers of the Third Oregon. R. B. Flynn, of Company A, won in the fast time of 10.3 seconds. F. S. (Tekoe) Grosvenor, of Company M, was second, and F. L. Braze, of E Company, third.

A handsome cup goes to the winners company. The Oregon soldiers competing besides the winners were L. E. Kelly, of the machine gun company; R. E. Lockwood, of Company C; V. O. Wolcott, of Company I; W. F. Luck, of Company C. Kent Wilson, of the Hospital Corps, made a good showing in the 220-yard dash, but failed to score a place.

Yesterday's Results.
At Los Angeles, 3-5; Portland, 2-7.

At Salt Lake, 1; Vernon, 3.
At San Francisco, 3-1; Oakland, 2-0.

Portland won two out of three games—Saturday and Sunday. So the Beavers can forget the rest of last week and celebrate.

Mr. Murphy, of Los Angeles, presented the afternoon game to Portland. He muffed an easy chance in the shape of a feeble pop.

Last half ninth—and two runs crossed. Houck, of Portland, was outpitched by Standridge in the morning and the Angels won, 3 to 2.

Oakland got back into its usual form again and dropped both Sabbath pastimes to San Francisco. Barbeau's bobble in the ninth gave San Francisco the morning victory.

This double defeat was a reversion to type for the Oaks. They played like champions on week days and grabbed the series.

Blankenship and Hannab, of Salt Lake, tried to Bryanize the umpires, but all their oratory got 'em was a banishment.

Hess had fine support from the Vernons, and although he only fanned one and walked four, he gets credit for a pitching victory over Hughes, who fanned two and walked one. Count 3-1.

Yesterday's big league hero was Jack Coombs, who pitching for the Dodgers, allowed only one hit and won his game, 11 to 0.

Brooklyn hammered Claude Hendrix for 10 hits, which were productive of only one run.

The Giants fell before Bob Steele's slants at St. Louis. Although they amassed eight singles they were unable to score a run and the Cardinals won, 5 to 0.

Benny Kauff and a pretty good day, the ex-Federal getting a pair of bingles.

Roger Hornsby kept up his phenomenal batting by making two trips to the plate and hitting safely each time. Clarence Mitchell, Red hurler, wallowed the ball for three hits himself but his wildness was costly and he lost to the Braves 4 to 3.

Hughes saved the Braves when he went to the slab in the fourth inning with the bases full and only one out. He retired the side without allowing a run.

Rabbit Maranville hit safely four times out of five attempts. All teams in the American league were idle.

Don't forget your friends on their vacation—they will want to see a home paper. Phone 81.
